**A Christmas Carol**  
 Tuesday, December 11<sup>th</sup>, 2018  
 7 pm, Pabst Theater, Milwaukee

Don't miss the wonderment and joy of **A Christmas Carol**, with our front center seats at the Pabst Theater! Featuring the same traditional story with your favorite characters, the Milwaukee Rep is excited to present a new, family friendly adaptation written by Rep Artistic Director Mark Clements last season. You'll be transported back to the heart of Victorian London for a magical immersive experience on the biggest and most elaborate set The Rep has ever created. Jonathan Wainwright, a favorite of local audiences, takes on the role of Scrooge as the 12th actor to portray one of Dickens' most recognizable characters. Every fifteen years, Rep audiences are delighted by a spectacular new production of *A Christmas Carol*. Artistic Director Mark Clements and his design team returns with this faithful new adaptation supported by the largest and most technically advanced set ever built by Milwaukee Rep, complete with spectacular new special effects and Rep favorite actors. This will be the theatrical event of the year. Prior to the show we will enjoy a wonderful meal at Three Lions Pub and then take our seats in **Orchestra Center**, (rows B-F) for this special presentation of "**A Christmas Carol**".
